

Councillor Jonathan Ramsay (Suffolk County Council)

Report September 2026

I have noted my work on your behalf during the remainder of August below:

In your Parish:

- Feedback provided to PC by SCC Community Liaison Engineer regarding B1083 Junction having been assessed by SCC Speed and Safety Team. Please can the PC confirm if they have further insight into the cause of accidents at this junction?
- SCC Councillor on Sutton Hoo connectivity workshop booked for 25th September. SCC will provide feedback to PC.

Across Wilford:

- Corresponded with all Parishes to request ideas on improving the character of village highways estate ahead of Novembers Joint Parishes Transport Initiative.
- Circulated to all Parishes rural funding grant opportunities and offered support with applications.
- Began dialogue with Young Farmers Association to offer support.
- Liaised with SCC officers and regional organisations to investigate funding/resources for village greening.
- Invitation sent to all primary schools to offer support including an in-person meeting.
- Further highways works and safe crossing reviewed and supported.

Across Suffolk:

- Review of Suffolk County Councils new Strategy to localise to Wilford.
